REAR COOLER CONTROL

1 2 3 4

ON-OFF

A black rectangular control panel is mounted on a light-colored, textured plastic surface. On the left side of the panel is a rotary knob with a black handle, surrounded by a white circular scale with the numbers 1, 2, 3, and 4. To the right of the knob is a small white fan icon. Further right is a red circular button with a white fan icon inside, labeled "ON-OFF" in white text. The text "REAR COOLER CONTROL" is printed in white at the top right of the panel.
