The infotainment screen displays a grid of application icons under the heading "我的应用 小程序". The icons include:

- 多媒体 (Media)
- 蓝牙电话 (Bluetooth Phone)
- 车辆中心 (Vehicle Center)
- 系统设置 (System Settings)
- 个人中心 (Personal Center)
- 导航 (Navigation)
- 语音助手 (Voice Assistant)
- 相册 (Album)
- 行车记录仪 (Dashcam)
- 能量管理 (Energy Management)
- 涉水感应 (Water Sensing)
- 情景模式 (Scenario Mode)

At the bottom, there is a dock with icons for Home, Navigation, Vehicle, Music, and Phone. The top right corner shows "车外 30°C" and "14:22".

A horizontal air vent with two circular outlets. Below the outlets is a row of physical buttons for climate control, including icons for fan speed, temperature, and air flow direction.

Interior control panel with buttons and a rotary knob. The panel includes a rotary knob with 'L' and 'R' markings, and several buttons with icons for window and mirror adjustments. The text 'EVER BRONZE' is visible on the silver trim piece below the panel.

A vertical silver trim piece with a central rectangular slot, likely a speaker or a decorative element, located on the dashboard.

Steering wheel controls including a gear shifter with 'RES+' and 'SET-' markings, and several buttons with icons for cruise control and other functions. The steering wheel is black with perforated leather.
