The digital instrument cluster displays trip statistics including distance (0.3, 2, 9), current energy consumption (21.3), and a battery level indicator (79%). It also features a small image of a blue SUV and a speedometer.

6:31°C 13:33

The central infotainment screen displays a home screen with a sunset wallpaper, a date widget for Thursday 7, and a dock with icons for App Store, Settings, HomeKit, Music, Podcasts, and Messages. The screen is framed by a dark bezel.

Suggested

This section of the infotainment screen shows suggested apps, including Settings and App Store, with their respective icons and labels.
