Music control interface on the left touchscreen. The screen displays various icons for playback control: a left arrow for previous track, a play/pause button, and a right arrow for next track. Below these is a progress bar. Further down are icons for mute (a speaker with an 'x') and volume up/down (minus and plus signs). At the bottom, there are icons for playlist, album, music source, and lock.

Climate control interface on the right touchscreen. The screen displays fan speed controls with a fan icon and the Chinese characters "关" (Off) and "自动" (Auto). Below this is a horizontal bar representing fan speed. Further down are icons for air distribution (left and right) and a temperature slider with blue and red indicators. At the bottom, there are icons for fan speed, music source, playlist, and lock.
