AS AI-EM 11% OK 186 km TRIP A 19.9 km

The image shows a digital instrument cluster (DIC) mounted on a steering wheel. The display is divided into several sections. At the top, it shows the time '16:42', the vehicle mode 'HEV P ECO', and a warning message in Chinese and English: '请您在使用产品前... Please remove the protective...'. The main display area is split into three vertical columns. The left column shows a large '-5 kW' with 'kW' below it. The center column features a fuel pump icon and the text 'Please Refuel'. The right column shows a large '0' with 'km/h' below it and a red 'P' in a circle. At the bottom of the display, there is a battery status bar with 'AI-EM' and '11%' next to it, followed by 'OK' and a fuel gauge showing '186 km'. On the far right, it indicates 'TRIP A 19.9 km'. The steering wheel is black with silver accents and has various control buttons on the spokes.
