6.5 kWh/100km

The image shows a digital instrument cluster with a light purple background. In the center is a 3D model of a dark blue car labeled 'E12'. To the left of the car, there are two horizontal bars representing range and total mileage. Below the car, there are icons for a car, a 'P' in a box, and the time and temperature. To the right of the car, there is a tire pressure monitoring section with a top-down view of the car and four '2.5 bar' readings. Further right is a power consumption section with a line graph and a '6.5 kWh/100km' reading. A red '(P)' icon is positioned above the car model.
